The image shows a laptop displaying the Artinii registration page. The browser address bar shows 'login.artinii.com/signup'. The page features a blue header with the Artinii logo and a language selector set to 'EN'. The main content area is a dark blue box titled 'Sign up to Artinii' with the subtitle 'Sign up and enter the world of endless screening possibilities'. It offers two registration paths: 'Sign up with Google' (red button) and 'Sign up with Eventual' (blue button). Below these is an 'Or sign up with email' section with form fields for 'FULL NAME \*' (containing 'Amelie Montmartre'), 'EMAIL \*' (containing 'amelie@montmartre.com'), and 'PASSWORD \*' (with a 'Show password' checkbox). At the bottom of the form is an 'I agree to the Terms of Service and Privacy Policy' checkbox and a 'Sign up' button. A green mouse cursor is clicking the 'Sign up' button. Three white callout boxes provide instructions: the top one explains Google account registration; the middle one, titled 'Please, take note:', explains the password reset step for Google accounts; the right one explains the email registration process, including filling in name, email, password, and checking the terms and conditions box.
